

## Alternative Shipping Address Authorization – Corset Connection.com

This form is required for us to ship your order to an address other than the one listed as the billing address for your credit card. If you do not wish to complete this form, you have the option of simply receiving your package at your billing address, or contact your bank and have them list a secondary address on your account. We can then verify the information over the phone with your bank. We appreciate your cooperation in preventing online credit card fraud and for helping to make the web a safer place to shop. Failure to adhere to this policy will result in delay of order and automatic shipment to the billing address.
